CYPHER COLLECTION

## William Hands

Our process starts with a single sheet of white paper, every mark a statement, every thought witnessed, every stroke adding meaning to a moment in time.

Our ideology and passion for creating the highest quality pieces of furniture demands that we only select the finest materials, meticulously crafting our products without compromise.

Founded in 1906 William Hands reputation for excellence is the result of exceptional service, craftsmanship and design. Manufacturing from the original site on which the company was founded, William Hands is a symbol of the success and evolution of the British furniture industry.

# CYPHER
