FURNITURE MANUFACTURER

We specialize in the manufacture of leather and fabric sofas in both classic and modern design.

We would like to invite you to browse through our range with hope to meet your own personal style through the choice of Stoltap Furniture.

Every sofa produced by us is hand made by our experienced team which pays attention to all details to ensure each piece of furniture meets high quality standards.

We will be happy to serve you as your furniture supplier as we have been doing for over 30 years.
